

Adopt-A-Street Program

What does it mean to adopt a street?

By adopting a Hendersonville city street, your group, organization or school agrees to visit that street a minimum of once a month to help keep it clean, and to make note of any condition of the street that requires attention by City Maintenance employees.

By adopting a street and helping to keep it clean, you will be extending your tax dollars by allowing City employees to spend their time on major renovations, repairs and maintenance work.

You will also be able to take pride in the fact that you will be helping to make Hendersonville one of the most beautiful & pleasant cities in the Western North Carolina.
